EFFECTIVE OCTOBER 2, 2005

ROUTE 17 NET (Norfolk Electric Transit) Downtown Norfolk Shuttle

The Norfolk Electric Transit or NET is the premiere transportation link for residents, visitors, shoppers, commuters and downtown Norfolk. This free commuting service is provided by the City of Norfolk and operated by the Hampton Roads Transit (HRT) to increase our transportation options in downtown Norfolk.

The NET is an integral part of the City's ongoing effort to link Norfolk's many downtown attractions with parking facilities.

The NET Weekday route makes a total of fifteen stops along a 2.2-mile route throughout the downtown area. The NET Weekend route makes a total of nine stops throughout the downtown area. The weekend NET stops at Harbor Park only during Tides games.

NET stops are conveniently located and prominently displayed throughout downtown Norfolk. Each air-conditioned bus holds up to 22 passengers.
